

## Cleaning RFP Questions

Under Scope of Services, it says that Bathroom Facilities to be cleaned every 4 hours. Should we include Showers and Locker Rooms as part of Bathroom Facilities?

No. Bathroom facilities would be every 4 hours. Bathroom facilities being defined as toilets and sinks.

Will Cumberland County provide the signage for individual areas that are closed during cleaning/fogging?

No.

Is the cleaning to take place around the clock, 7 days a week?

Yes. Morning and afternoon full clean and toilets/sinks every four hours.

Under Required Documentation, b). Please provide a budget. Are you looking for a total hourly cost or a breakout of our costs per labor, equipment, and materials?

Breakout for cost of labor, equipment and materials (per day/week)

Do you know the total square footage of area that needs to be cleaned? The maps are not at scale.

I do not.

Who is supplying the cleaning equipment and materials?

We have the bigger cleaning equipment (mops, buckets, skimmers). The bid would require the vendor to provide chemicals and smaller stuff like rags, sponges etc.

What is the duration of the cleaning day? Start and finish time? Covering all 3 shifts? Is this 5 days a week or 7? Is it possible to visit the site?

The hospital relayed to us for a morning cleaning and an afternoon cleaning. They would like to have restrooms cleaned every 4 hours. Seven days a week - three shifts.
